SUBJECT: Review & Recommendation - Public Art Utility Box at Telephone Road & Ramelli Avenue

RECOMMENDATION

This is an action item. It is recommended that the Arts & Culture Commission review and recommend the public art utility box design proposed for the utility box located on the corner of Telephone Road and Ramelli Avenue.

DISCUSSION/ANALYSIS

The Community Partnerships Division has received a public art utility box application from artist Carolina Canosa. Carolina has proposed her design in support of neighborhood beautification efforts.

Carolina's design includes a fading sunset, full moon, palm trees, mountains, and cityscape silhouette. Additionally, a rich sunset color palette is used that includes shades of purple, magenta, and pink, that enhance the black and grey silhouettes.

City staff has reviewed the submitted public art utility box application packet. The application meets all requirements and is eligible to move to the artist rendering review and recommendation phase by the Arts & Culture Commission.
